

A message from the APSN President August 2014

Congratulations to Peter Kerr and all his team on the continued success of APSN's journal *Nephrology*. The 2013 impact factor for *Nephrology* has just been released. It is now 1.864, another 10% increase on the impact factor of the previous year. *Nephrology* has also moved up on the ranking of all urology and nephrology journals – it's now ranked 37th out of 75 journals.

Many thanks to Peter and his team who are ensuring a bright future for our journal.

DAVID HARRIS

President, APSN 2013 - 2016
